PRIOR ART SUBMISSION

TO: 2800 MAIL ROOM

APR - 9 2002

RECEIVED

Sir:

The undersigned filed a prior art submission in the above-identified application on March 6, 2002. This submission was made in error.

It has recently come to the attention of the undersigned that the four references cited in the March 6, 2002 submission pertain to Japanese Patent Application No. 11-339618, not Japanese Patent Application No. 11-151648 which is the patent application from which the above-identified U.S. patent claims priority.
